

Whole Child Policy

Rationale

At Marmion Primary School we believe that we play a vital role in preparing a child for life beyond formal schooling. need to be armed with skills that enable them to deal with the demands of growing up, entering the workplace and achieve long-term success. The whole child approach is about holistic education, where learning looks beyond the classroom to support personal development

Guidelines

We have a clear focus on developing the whole child by:

- *Foster a supportive environment that promotes strong relationships among staff, students, and families*
- *Implement meaningful, engaging instructional practices that develop students' ability to manage their own learning*
- *Develop habits, skills, and mindsets that build students' social, emotional, and academic competence*
- *Create an integrated system of school supports that includes extended learning opportunities and community partnerships*
- *Create opportunities for students to be involved in extra-curricular activities that further develop their interests and passions*

Implementation

We offer a range of opportunities for all students to participate in extracurricular activities including:

- Lunchtime organised sport
- Woodwork course
- Soccer club
- Sustainability program
- Mindful Me program
- Community Senior Choir
- Junior Choir
- Mindfulness
- Before and after school sport training
