Newsletter WK 8 Term 3 2023

New website

Our new website is due to launch in the next week or two. We will let you know when it is officially up and running.

LA8 & LA9 Assembly

Well done to our year 2 classes LA8 and LA9 for the entertaining assembly yesterday. The item they presented brought alive the history of technology and music in an entertaining way.

Congratulations to all our Character Strength award recipients.

Carnival feedback

Thank you to everyone for giving us feedback on the carnival. We have surveyed the students and teachers and have now collated the parent feedback which we will reflect upon when making any changes for next year.

MARMION PRIMARY SCHOOL

One of our character strengths is **leadership**. Leadership skills allow children to have control of their lives and the ability to make things happen. Leadership instils confidence, and helps children solve problems creatively, work in a team, and work collaboratively with others. Leadership gives children many opportunities to develop responsibility.

9 tips to help teach a child leadership skills:

Build their confidence – confidence is key to developing the trust required to lead. Check out the blog, [6 Tips to build confidence in children](#), for help on building confidence!

Improve their communication skills

Help them get good at something – creating a competence will make leadership easier. Leading by example is a good way of creating followers.

Encourage them to share ideas - sharing ideas and visions with friends, teammates, and family helps to create a shared vision.

Promote persistence – set goals and stick to a plan.

Ask them to share in a sacrifice – teach leadership by displaying it as an act of getting your hands dirty and joining in with something that is a challenge. This teamwork will help build trust and influence.

Ask them about a role model they may have – ask them about the qualities they admire about them and why.

Encourage them to admit fault – if they can learn to admit fault when making an error, it will allow them to gain & build the trust required to be able to lead and influence.

Encourage them to avoid criticism – criticism is the quickest way of breaking rapport and trust. Even if someone has done something wrong, ask them to find a way of informing that person that doesn't involve criticism.

LA17's Camp Oven Cooking Extravaganza

On a warm Thursday morning late in August the LA17 Legends, 11 brave parent helpers and one nervous Year 5 teacher set to making 40 pizzas in under 2 hours...on 4 camp ovens.

The scene was set early as Marmionites of all ages flocked to the fire pit setup to enquire about its existence. With authentic LA17 legend-made dough, prepared the previous day, small groups added their desired toppings prior to cooking their own pizza over fire coals, with a little help from our awesome dads.

The smiles on many a face was awesome to see. The epic experience linked perfectly to our 1800's history unit. We can confirm that all the parents slept well that night.

Mr Watson and the LA17 Legends

Fathers day stall – thank you!

The Marmion P&C would like to extend a big thank you to our entire community for getting behind the Fathers Day Stall last week.

We are sure that everyone can agree that this year the types of gifts on offer were fabulous and it was all thanks to our two core volunteers, Emily & Bec who were so organized and have been planning for months to make sure this even was a success. A big thankyou goes out to the group of volunteer mums who helped out on the day.

We are proud to announce that the stall raised a whopping \$2,400 which is a phenomenal effort! Our entire P&C team hopes your Dad, Grandad, Pa, Pop, Step Dad, Uncle, Nono, Upa or special person had as much fun opening their gift as your beautiful children had carefully selecting just the right pressie!

Next up on the P&C calendar is the super exciting Colour Run happening on Friday 13th Oct so keep your eyes peeled for all of the info coming soon!

P & C News

Friends of Marmion Bushland weeding sessions

All the plants in our bushland are taking off at the moment, including the weeds!! To get on top of them before spring starts we'll be having weeding sessions every school day from 9-11am.

Come join us for a chat and some gardening for however long you want to stay.

This week the kindy and Year 2 classes both worked hard to help us weed around the native seedlings. We were delighted to find that pink fairy orchids are coming up naturally in this area as we reduce the weeds. The students learnt which plants were weeds, and had a great time getting out in nature.

BEAT THE WEEDS 2023

Join us to weed the garden beds before we mulch

EVERY SCHOOL DAY FROM
MONDAY 4 - FRIDAY 15
SEPTEMBER

9 to 11
am

P & C News

Save the Canteen update!

Huge thank you to everyone who filled in the canteen survey, we have lots of really good feedback to work through over the next few weeks.

Watch this space for more updates soon.

Uniform Shop Reusable bags needed!!

The Uniform shop are looking for donations of reusable bags to avoid buying plastic bags to send the Uniform orders to the classrooms. Please drop any bags you would like to donate at the uniform shop which is open every **Wednesday from 8:30 - 9:15am**.

Yellow polo shirts have now been restocked!

Online orders are available via Qkr! with the option of delivery to your child's classroom or collection during opening hours.

The second hand rack is also well stocked with clothes so be sure to pop past. We thank you for your second hand donations but please note we are not able to accept hats, or any clothes with more than 2 stains. As a general rule of thumb; "If you saw it on the rack, would you buy it?". If no, please don't donate it.

P&C treasurer position

Our wonderful treasurer Ulrich needs to step down from the position this year. We would like to take the opportunity to thank Ulrich for all his hard work over the last 4 years, he has been a really valuable member of the P&C community!

This means we will be looking for a new treasurer to start in September. If you have some basic accounting skills and would like to use them to support our kids, then please get in touch with Ulrich or the P&C for more information about the role.

MARMION PRIMARY SCHOOL P&C

PROCESS FOR P&C FUNDING PROPOSALS

The P&C provides funding for numerous initiatives and projects around the school each year.

The P&C raises funds via our Fundraising Committee through a variety of events over the year, for example The Evening on the Oval, Mothers/Fathers Day stalls & Sports day. This is how we can provide funding to support the school.

If there is something you are passionate about that you think the school will benefit from or would like to coordinate an event for a purpose, whether it be new play infrastructure, IT equipment or recycling bins, you will need to submit a Funding Proposal to the P&C for discussion at a General Meeting.

We've set out a step by step process to assist in getting your Funding Proposal approved.

1. Speak to the School, (first stop Mr Boylan our Principal) to put forward your idea, confirm the need and get their approval. When you have this, then...
2. Research suppliers and try to get at least three quotes if it's an item you wish to have the P&C purchase for the School.
3. Liaise with the P&C to see if any grant opportunities would be available if applicable (e.g. could Lottery west provide some funding?).
4. Request the appropriate forms from the P&C for your funding Proposal to include the above information and confirm the content with Mr Boylan prior to submitting to the P&C.
5. Submit all relevant information to P&C 10 days prior to P&C meeting.
6. Be prepared to answer questions at the next general meeting to discuss your Funding Proposal.
7. Once approved you may proceed with your Proposal and ensure all receipts are provided to the P&C Treasurer for reimbursement of the approved amount.

Rest assured the process is not always complex and once the need and process is established, repeat approvals are often far quicker.
